“ She “ Granny “ came into our lives by marriage of Joe and Brandi, I knew right from the start that she was a special Angel sent here to be example of a true Christian ! What few years we knew her, we never ever heard her complain! No matter how bad she felt she'd always be smiling! She would have done anything for anyone! She was the best Granny ever to her grandchildren! They had a special bond between them! She was only real mother figure in their lives, until Joe married Brandi! And to watch Joe around his mom was a blessing! He loved her and he showed it in every way possible! He and Brandi stood by her side during the time in her life when she needed them! One thing I have to give God Praise, Granny got to see all her grandchildren saved! And when they were baptized, no matter how bad she felt, she was there to witness this glorious time! I so much enjoyed talking with her! She called me Mamaw and I called her Granny! I'd love to go and visit and as we sat beside one another, we were both watching pimple popping! Now heaven is much sweeter because Granny is there! I hope she meets my mommy and my grandmother! We all have more to go to heaven for, than we did before she went to heaven! I'll always hold her deep in my heart and remember all the precious memories! I love you, GRANNY and I'll always miss you! My life was blessed so much by having had the pleasure to get to know this precious, humble, loving and caring lady! WATCH FOR ME GRANNY, BECAUSE ILL BE THERE SOON!
