“ *She was my best friend, she never judged and always tried helping her friends, family, loved ones and even the bullies. She never knew a enemy. I wish I never let another soul pull that bond away that we had. I truly miss and loved her.*  
*The other day I seen jenny and it was like April sitting there, it was hard on me I can't imagine what's it like for her children, mother, grandmother, and Jason. My heart and prayers are there with them.*
