“ So very sorry about Betty's passing. She was a wonderful person who was always kind and gracious to her family. Not only was she the first cousin of my mother, Ernestene Weddington Adams, Betty was a dear and special friend to her. They were born the same year. When she was a teenager, Betty lived with my mother and her parents, Champ and Dora Weddington, for a year while Uncle Woodrow and Aunt Catherine worked away from home. Those times were among the many special ones they would share over the years. Prayers and deepest sympathies to Buster, Sharon, Barb and the rest of the family.

“ I have so many fond memories of Betty from growing up as her neighbor, and visiting with her when she worked at Ray's store. I want you to know, Sharon, that I always thought you and Melissa were the luckiest girls in the world to have Betty as your mother. She was very loved, and will be sadly missed.
