“ *Aside from being the sweetest father-in-law that I could have ask for my favorite memory of Billy has to be when he went out to cut down a tree behind the old farm house. A few minutes later he came back in and said " Maw I can't cut that tree down" when Janie asked him"why? He said " If'n I cut it one way it will fall on the house and If'n I cut it the other way it will fall on the (important) house" We all rolled with laughter. REST IN PEACE Papa Billy* ”
