“ One of my earliest and fondest memories of Uncle Berl is the time he let me and Roy Allen ride in his big rig coal truck with him all the way to Sandy Hook. We thought that was the coolest thing in the world. RIP, I'll miss you Uncle Berl. Love you.

“ Berl was a long time friend of my family, he and my dad went fox hunting a lot when I was growing up. After I got married and got in church I got to be in a lot of church services with Berl and loved to hear him sing 2 coats. All the family is in my thoughts and prayers and if there is anything I can do don't hesitate to call me
