“ Thinking of you today as I do everyday. I promise to keep in touch with Aunt Jean and the family, love them all! I was thinking about how I always loved argueing with you and the time you were sharpening the axe. I told uou it wasn't sharp, you finally told me to check it and see then....well, not knowing what I was doing, I checked it alright snd layed my thumb open. Shew, were you angry, "You little sh*t! What do you think your doing, that's not how you check it," This has always been a precious memory. So many! Love and miss ya!
