“ Chester,

Even though you came into our lives just a few short months ago, we knew that you were a good man who cared about your family and others. You became a good friend to my dad as if you had known him all your life. As his roommate, there were times you were able to take his mind off of not being at home and we will be eternally gratefully to you for that. When we came to visit dad, we also looked forward to seeing your smiling face. You are now with God and you will suffer no more. Your spirit will always be alive in our hearts and minds.

You left your family with many fond memories that will help them find comfort during this difficult time.

Our deepest sympathy to the Fannin family,

Zay Bowman and children
