*It's very sad how you can give military rites to a perpetrator like Clyde who destroyed that honor when he went into his neighbor's home with his shotgun and murdered a husband and wife in front of their young children. Clyde claimed that he had PTSD because of being in Vietnam can you imagine the PTSD that those children have today from seeing that nightmare that Clyde did to their parents and it will be permanently in their minds. Clyde should never be honored in any way because he proved himself to be a Demon that deserves to rot in hell!!! 🤡*
