“ *From day one of our school days... Till the day before ur passing we shared so many laughs, memories and conversations about life. It's gonna be strange not having u around for it all.. Especially to take my 7.00 on a daily basis!! ;) u were a great friend, an awesome classmate, a wonderful father, a good son... And so much more. There are a lot of special people where u are going....and u will have no more worries. U left this world way to soon, but ur memory and that big ol smile left a life long impression on many.
