Bryant; I'm so sorry for all this loss in your family. I remember your Dad from back when he was a little 7th grader in Mom's class. She loved him and I did tool. And of course your sweet Granny was simply an icon in our family.

“ Too many memories of the man who was my person since I was 5 years old. I loved him so much . I think it's his fault I'm as mean as a snake. I can't help but smile because I never had anything but laughter and good memories. Maybe one of two bad ones but there was laughter after the fact .
