“ Gerry Nell. So sorry for your loss. There is no heartache like losing your husband. Like you said, God spoke his name and it was just his time to go. That doesn't ease the pain but for our spiritual side it helps to know that Dennis is with God and waiting for you and the rest of his family and friends to meet him at the great homecoming day. Love and prayers to you and the family. Dennis will be sadly missed.

“ *I loved Dennis dearly, he was so sweet and funny. For 30 years each time I'd call Gerry he would tell me she left him and you could always hear the smile in his voice that gave it away that he was joking with me. He will never be forgotten and the memories we can always carry in our hearts. Love you Gerry, John, Nicole and all your families. See you again Dennis on that great reunion morning.*
