“ I am going to miss Denver at the CCFM. I worried about him when the Coronavirus was going on and thought about how he was doing. I am so thankful that God took care of him and I got to see him Thursday and Saturday before the Lord called him home. We talked about the Lord and talked about the Virus. We both agreed that when it was our time to go that there wasn't anything that we could do about it. Just make sure your are ready. He did leave a testimony about when he got saved and gave his life to the Lord. Seem like we were in agreement about the bible and could see eye to eye about things. He sure was a good fellow. If you don't know the Lord, please pray and seek God. Heaven is his home! He gave me a rod and reel and try to show me how to use it. I told him that I wouldn't use it that I wasn't a fisher. He said to give it to Nita. He loved her as if she was his daughter. Juanita & Ranita Greer
