I'm so sorry for your loss my friends. I have so many wonderful memories of you all from my childhood. Seems as if we were always neighbors and I always loved it when you all came to visit. Dora "Sis" was always so nice to me and she always made my momma smile :) When you lose someone you love its always so hard to deal with, but when you lose your momma....you never stop grieving. My prayers are with all of the family and I wish there was something I could do or say to make you feel better. Love you all!
