“ *When I was very little and we still lived in Elliott County Grandpaw would hid me in the floor of his truck and take me up to Edna's so I could play with Becky. Those are some of my best memories as a very young kid! I remember one time we were up there when an awful storm came up it was so bad that it formed a tornado and Aunt Edna Pearl put me and Beck under her kitchen sink and made a game of it so we wouldn't be afraid. She was so sweet and loving to us that we weren't scared at all! I loved going to visit her more than anything she always made me feel so special! Love you Aunt Edna and I will miss you until the day we meet in Heaven!*
