“ *Love and prayers to all her family. She was always a special neighbor and friend to us. My mother (Fern Brickey Fraley) went to school with Etta and her sisters and used to tell me how they were close good friends. Last time we saw Etta was Grandparents day at Isonville school with little Andrew. So glad she got to attend. Due to sickness and the flu we are not sure we will get to attend visitation or funeral but will be praying for the family.*
