“ *Strange as it seems, my fondest memory was at the funeral home when Geneva passed away. After most people had gone home, some of the guys sat around talking about fishing trips. There was good old fashioned fellowship as everyone laughed at the tales that were told. I admire Kim, Mick and Corey for being so faithful to Hank as his health declined. I know there could be nothing easy about their stay with him as they cared for his every need. My prayers go up for God's comfort, peace and strength to surround the family and Hank's many friends.*
