“ Hazel was such a humble beautiful person with a smile for everyone she met. We loved hearing her sing in church and testify. We are so thankful for all the times we got to be with her. She will be greatly missed at Newcombe Valley church. To all her family: we are so sorry for your loss. She loved you very much and requested prayer for you every time she was in church. She is in her heavenly home and you can go there too someday if you follow her example and accept Christ as your Savior. Prayers for all of her family!

Prayers of comfort to the family and loved ones of Hazel. The Stinson Family

Loretta Stinson Roush/Indianapolis,IN - November 23, 2020 at 06:54 PM

Hazel has been a neighbor all my life. She was very intelligent and kind with God's grace in every word to me. She was very truthful with me in every conversation and I could count on her to tell me "exactly" what she thought with the gentlest words possible. She loved Jesus and singing in church. Her difficult life did not influence her kindness. Prayers and Blessings to ALL Hazel's family, extended family, church family, and numerous friends. - Janet Peters Stinson, Isonville, KY

“ I met hazel when i moved to elliott county . as i got to know her i started riding with her to church at middle fork which i felt real comfortable in that church and became a member there . i also went to several diff churches with her . i would also ride to grayson with her and we would laugh and talk the whole way there and back . had good times going to grayson and back along with the churches we went to . she used to tell me some of the funniest stories and have me laughing . she loved to cut up and joke with ppl everywhere i went with her . she had a sense of humor about her she also would tell u exactly what she thought about things . i lived beside her and sometimes id go over late at night and watch walker texas ranger with her . dhe would let me know it was on by turning on her porch light . after i moved back to my hometown in mt sterling i called her a few times to check on her and ive been up to visit her a few times when i was over her way . we would talk about the times we rode to grayson and the times we went to church she said she missed me up there because she didnt have no one to go to church with at that time . ive sang with her in church a few times she loved to hear richard playing his guitar . i have lots of good memories with hazel and she will not be forgotten .

“ Hazel was a wonderful person with a big heart. I have known her all my life, and she's always been so good to my family and I. We have traveled many miles together. Hazel was always ready to go to church, and would take anyone with her. We have spent a lot of time together, and I'll miss her dearly. But Hazel is in a better place, no more sickness or worry. Heaven gained a sweet soul. ❤️
