Jack could teach me more in a few minutes than other people could show me in hours. Always admired his ability to teach others. He could explain to you how to do something in a way that made perfect sense.

*“ I went to school with Jack Maggard he seem to be a remarkable young man.I lost contact with him and his brother when I enlisted into the Marines.I am sure he Will be missed by his family.If you are saved, death is the door we must go though to get where we must go.
There is a Heaven to gain and a HELL to shun.If you are still breathing there is still time
to avoid that fate.May The God Of Heaven and Earth comfort the family.*
