“ I had the privilege of working with Jimmy for 3-4 years as he allowed Boy Scout Troop 109 to skeet shoot in Elliott County. As he pulled the release, each boy had only one mission - to watch clay fly into pieces. Some were really lucky hitting several, and some missed all day. However, Jimmy would smile with encouragement. I don't think I ever saw him without a smile - a smile that has blessed the lives of so many. It has been a blessing and a honor to know Jimmy. May God bring peace and comfort to his family and friends as they each reflect on the memories of a man with a life well lived.
