Our lives go on without you, but nothing is the same, we have to hide our heartache, when someone speaks your name. Sad are the hearts that love you, silent are the tears that fall, living here without you, is the hardest part of all. You did so many things for us, your heart was kind and true, and when we needed someone, we could always count on you. The special years will not return, when we are all together, but with the love in our hearts, you walk with us forever. Fly high my beautiful friend love you always.

Jason you will be dearly missed. I loved getting to see you when you would stop in at Walmart. You were a very good worker. I loved catching up with you the last time I saw you. You were kind and caring with everyone. I am blessed to have known you and grew up with you. Even though I was a little older but still good childhood memories. Love and prayers for your family.
