“ I have't been in touch in a long while , yet when I heard about Frankie I was so sad for a long while, this is the first I've wanted to share memories about uncle Bud , Berlin and Frankie. I will miss him as I 've missed uncle Bud and Berlin. We weren't in contact for such a long time and reading the memories on here brought back the times we lived so close together and played at our grandparents house together and no matter how long we were apart when we got together it was as if we never apart at all . . . I will always feel sad knowing that Frankie isn't there anymore, Frankie you will always have a place in my heart of memories,, rest well Cousin and Friend..

“ Very sad to hear of Frank's passing. I met him at nursing home . I had pop-all trees and he really enjoyed them. It was a honor to count him as a friend. I didn't know of his passing until now ,two weeks ago or more. Hope to see him again some day God willing.

“ I wish the world had more people like cousin Frankie!!!! as he was a sweet soul who acted with malice towards no one , I Thoroughly enjoyed listening to him play a guitar and stories of his adventures in the trading profession. I am proud to say you were my blood relation and hope to someday acquire a benevolent disposition that's akin to yours..

Franky was the kindest man. Worked with my Billy when they worked for Sandy Hook, police department.

I asked him once while giving him a ride from the nursing home back his place "why do you go to the nursing home so much? He said because "when he was small before the nursing home was ever built his grandparents had a place there." Not only was he volunteering his time there but the memories always made him feel at peace."
