“ I have known Johnny Wayne my whole life, he was more like family than a neighbor. He is already missed so much by us all. I look out there every evening and it seems so unreal that he is no longer there. We will all miss hearing his horn blow as he went past the house telling us hi. We all watched out for each other. Johnny was a wonderful man who would have done anything to help anyone. My family and I are definitely going to miss him.

“ Johnny Wayne was truly a great friend to me and my family. He never bothered a soul, he would always throw his hand up when he was leaving to go fishing or out to play bingo. In the summer he would come over to moms and we would just set around on the patio and just talk and enjoy one another’s company. I’ve known Johnny all my life, he was like family to us. We kinda watched out for each other, weather it be getting off the hill in the winter time to get grocery’s or fixing the TV when it went haywire, we as neighbors, friends, family do these things for each other without hesitation. And I’m going to miss these things. There’s an emptiness on the hill now. We are going to miss you dearly Johnny Wayne. We love you my friend!
