“ I can not share just one memory. For I have to many good memories. No words can describe how much you will be forever missed and loved. This world will not be the same without you in it for me!! You where such a huge part of my childhood and even as an adult. You where always giving me advice and it never mattered how old I was. You always loved me and treated me the same. I will miss our talks, your smile and laugh. You had the biggest heart and loved everyone so much. You would do anything for anyone!!! I know you are in heaven with my babies on your lap. I know you are taking care of them loving on them like you use to do me!!! I will hold on and cherish all of our memories and not let them go. I will carry you in my heart, until I can see and hug you again in heaven. I know you will watch over us all and make sure we are safe. Enjoy your paradise in the sky and I will see you again one day. I love you sooo much Uncle Jr!!! Hugs and kisses 🤗❤️ ~Karena
