“ Junior was my great uncle whom I never got the chance to meet. If he was anything like his sister (MamawLena) then he was kind and humble and a God-fearing Christian. Although we never got the chance to meet in this lifetime I know some sweet day I'll meet him in heaven. Love and prayers for the family

“ Lisa, Jeff, & family,

*We're so so sorry for your loss. I understand this pain. I pray that you all are blessed by the good memories you have in your hearts. You two are like family to me, you always will be. In a few months you will feel a peace come over you that we know comes from God. It will be a peace that sort of replaces the sting, I promise. It just takes time, and be sure to take the time you need to grieve and find solace in the fact you'll see him again. Sending lots of love, hugs, and prayers.*
