“ *The family lost a great member. Larry was a man of many great attributes. My favorite of all was his love of laughter. He was always doing little things just for a smile. As kids we spent alot of time with Larry, but as we got older time somehow slipped away. To late to wish for more time now, not only with Larry but so many others. I guess we all take for granted the promise of tomorrow. I love you Uncle Larry and you'll be missed greatly. Until we meet again.....*

“ My Uncle Larry was so funny & loved to pick on me!!! He snuck & let me drive & smoke at a very young age!!! He made me promise I wouldn't tell Mom & Dad, because if I did he wouldn't let me do it anymore! Every time he came over we went to the canned food cellar & away we'd go me jerking the truck all over the road and the smoke a rolling!!! I kept it between us until I got of age!!! And that I will never forget!!! I'll love you & miss you forever!!!! Xoxo Tootie
