Rembering that my mom Patti and her were room mates. She always had her phone just in case someone called.

Thanks for sharing the memory Judy. Mom would clutch onto that old flip phone like it was the latest and greatest iPhone. It had all the features she needed and that was being able to talk on it.

Thanks for sharing your memory Bob & Brenda. I have met "Bill" and I was confused, at first, when I was introduced to him as Larry. I didn't know why she called him "Bill" , but he told me that he just let her keep calling him by that name.
