“ I am sorry to hear about the families loss. I just saw this today. My heart goes out to the entire family.

I am Candy, the daughter of the late Charlene Cassell Ison Gilliam. I can remember being around you all when I was younger and you lived on Rocky Branch. Mom used to come over a lot and play music. I can remember when Louise was pregnant with her first child. I know you have all suffered loss. God be with each of you.

*Oh what beautiful memories! We all went our seperate ways in life and didn't see each other very often after we were grown. However, that never takes away the memories. They are frozen in time. Seeing the picture of all the biys and Robin hugged up to Ole Sambo, wow. The old "oil silt" pond? Up above the house we loved to play around....so many things. Uncle John, do have a picture of when all us uhmmm "older" grandchildren were piled on the pony at Uncle Edwin's over across the creek? Uncle Quinten was very special to me! Lonnie, knowing your passed from this life is really tough to comprehend and I know our lives will all resume to our normal, everyday activities after Saturday. However, your memory will remain with us eternally!
Let's all take this oppportunity, although a heartbreaking experience, to show love and caring for one another as papaw and mamaw Lewis would want.
Yes Amy, we all grew up pretty close, love ya girl!
Love all my cousins on the Lewis side and the Sloas side! God Bless you Arthur, Bobby and Anita Louise....love you all. I am going to try my best to be there Saturday.*
