“ A message for Gary and Dena, and the rest of the family.
I am sorry to read of Lucilles passing. The other day, for the first time, I felt compelled to look her name up and found this web page. The picture is very heartwarming, nice to see that beautiful smile after all these years. Lucille was always very kind to me and especially kind and loving to my daughter. I wish I had thanked her for that.

I see all the names of the relatives on the tribute wall, people I have memories of and still talk about even today. Forever, you are a part of my story. And, my life was made richer by knowing and spending time with Lucille and the rest of the Parsons family.

I will say a little prayer and send a candle out to sea for Lucille, she was a wonderful woman.
