“ Martha was one of the first women I met when Roger and I moved here. We lived out at the Elliott - Rowan County line. Someone told her that we had young children. Before day care started that fall at what was then the Concord Preschool, she visited us and signed our older son up to not only be enrolled but for the little school bus to pick him up. Our younger son and I were able to ride the bus with him to the center so that I could volunteer to help with whatever was needed. She also asked me to serve on the parent advisory committee so I was able to attend regional meetings with her. We had so many wonderful times talking, laughing and learning together. She was loved by so many including those who went to high school with her, one being Roger.

I know many will miss her so much. Our thoughts and prayers are going up for her family and many, many friends for peace, comforting and strength during this time of sorrow and loss. May each one feel God's strong arms upholding them and surrounding them with His love.
