“ Mary was one of the first ladies that I came to know when I first started working in housekeeping at the nursing home a couple of months ago. She always told me how much she loved her grandson and she was also so sweet to me. She's was one of a kind and she will be greatly missed. I'm so thankful that I got the chance to know her for the short amount of time that I did. She will always be remembered! R.I.P Mary! ❤️
