“ I have many great memories being with Gene as his brother in law starting 56 years ago. Both Jolene (Elliott) and I would come down on the weekends from Ohio. We would play cards with my wife and Alice late into the night . I learned over the years how nice of guy Gene was. Sometimes we would all go to a Country Musical show with them and Dallas and Leathe . These these were the good old days. Gene was a good friend and a real gentlemen. God Bless him.

“ I found a great friend in Gene! He was always so happy! He certainly loved you two girls. I am so glad Gene and my paths crossed and glad to have cared for him while I worked at Elliott. Seems like all the older ones are passing on! Gene loved the Lord and is if he could tell us, he would say, "Havin' a great time here, wish you were here!" May Gene rest with Jesus until we met again! Love you girls!

“ Gene was the kindest and most easy going person you could ever meet. I spent a lot of nights with Gina in his house growing up and he and Alice was so good to me. Treated me like one of their kids. Love and prayers for all the family!
