Thank you Ronnie. Hope all is well with you all. I miss the good old days so much. I wish we could have all gotten together again with your parents and mine and before Garry died. I didn't realize the things I took for granted until they were gone . Memories are so precious. Love you all! If you can, come and visit any time. I'm not bragging, just praising, but I have the most wonderful husband. I know it was in Gods plan to bring us together. I don't know what I would do or would have done without him. My boys and their wives are so wonderful. And of course all of my grand babies! Thanks for the prayers and support. This has definitely been one of the many times when there has only been one set of footprints in my life. Love and prayers always. ❤️🙏
