“ *Hated to hear you are gone. Didn't know you were that bad. Didn't visit you while you were alive but that has passed now, can't change it now. We used to have a real relationship but things happened and drifted apart but you were in my Prayers and glad you aren't suffering anymore* ”

God be with the family and hope everyone does ok. I remember the good days when you used to play with my daughter Kim when she was little. None of us are perfect and if we we were we'd be in Heaven now.
