“ I am so sorry to hear about the passing of Reeda. She always made me feel welcome when I was in her office doing title work. Many times we had lunch together and often she would bring in food for everyone working in her office that day. Reeda was like a walking encyclopedia of Elliott County. If I needed to locate someone or find information in Elliott County, Reeda had the answers. I will never forget her. May God bless and comfort the Ison Family during this time of sorrow.

“ Reeda, I will always love you!! I have so many memories of our teen  
years together and the trips you made to Morehead while I was in  
college. I remember the help you gave me preparing for my  
wedding. When I locked my keys in the car, you took me to get the  
fabric for my wedding dress, and I could go on and on with all the  
help you gave me prior to the wedding and the day of the wedding.  
You were my maid of honor and I was your maid of honor. Even  
though our lives took us in different directions, our hearts have  
always been entwined. The last time I saw you, you had already lost  
your legs, but you made the trip to Sandy Hook in order to get to  
see me. I remember I was so excited to see you, and we gave each  
other hugs and said "I love you" to each other.

*Tivis, Andrea, and family, you are in our hearts and prayers. Reeda  
will be missed by many. She was a special person with a big heart.*
