First and foremost Brother June was a born again old time Christian, who adored his family, loved his church family, as well as his friends and neighbors. His primary goal in life was to make sure that as many people as possible made preparations for a home in heaven, Brother June began his journey to heaven on September 7, 1966 he was baptized September 11, 1966 the good Lord called him to preach November of 1966. He remained faithful to the task for forty-three years never compromising his beliefs, but stood firm on the word of God, though not always popular. Brother June listened to what God told him to say and do, popularity, ambition and worldly recognition had no room in his spiritual walk nor his everyday life. His main concern was getting people ready for a heavenly home. Also he often said, “I want to take as many as I can with me, where we can go live forever, and ever and never die”. Brother June and Sister Lorene became members of the Rocky Branch Church on September 16, 1966 and remained members until its closing in 2003. “ This poem is beautiful. I wanted to share it.  
Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fie##imported-begin##RebeccaLawhon##imported-end##
