God grant me the serenity to accept the things I cannot change; the courage to change the things I can; and the wisdom to know the difference.

Mom,

You gave me life and loved me unconditionally no questions asked. You were always my ear to listen, shoulder to cry on, and my best friend. You were the strongest woman I knew and always deserved my utmost respect. Everyone

who knew you loved you. You were kind and giving to those you loved. You taught me how to be a respectable kind of person.

I love you more than the air I breath, always have and always will. I miss you like crazy and can only take comfort in the fact that you are in no pain now and rejoicing with the other angels our family has gained. I know you will continue to walk with me in this life and watch over me.

I love you mom, until we meet again. Always in my heart.

Love,

Amanda
