Peace is not when everyone agrees. It is when we can respect our disagreements and still play in the sandbox together.

“ Dorothy and Kristi,

Mom, Dad and I are sorry for your loss. I remember many summers in my childhood spent at your house. Sheryl was my older cousin who let me hang out with her when I was a kid. I wish there was something we could say, but here is nothing anyone can say to ease the pain of the loss of a child or a parent.

We are thinking of you in this time of grief and praying for your comfort and peace.

“ Started school with Sheryl at Lakeside Elem, 4th grade. She was such a nice and humble person. I remember seeing her in Kmart, when we were probably in our 30"s. I said, "We're getting old Sheryl!", and she said, "You might be, but I'm not!".lol. Love and prayers for all her family and friends that will morn her passing.
