“ i'm going to miss thelma so much here in the rowe flatt area, she was always hanging with our mothers and oe was always hanging out with the guys but now they are all up there looking down and watching over all of us, tammy and eldon i'm sending my love and prayers to both of you and your families, but your little mommy was a loving and caring woman, i remember right before christmas this year when tommy and sue anne brought her over to the beauty shop to get her hair done, she got some fake flowers and some christmas lights off of my mom and put it in her room over at the nursing home, but she ate with all of us and laughed the whole time and was just having the time of her life and little bentley which is benjie rowe little boy, thelma claimed him as her boyfriend and little bentley was so gentle with her and would roll her where ever she wanted to go there in the beauty shop, but thats the good times that we can all look back on and laugh and know we all did something to make her feel like she could be a part of all of us and get away from that nursing home for a few hours, i wouldn't trade one minute like we had that day, all the family was home and thelma got to see us all and remembered alot of us still and calling us by our first names, thelma was a smart and classy lady for sure on that, but rest in peace ms thelma, until we all meet again love you
