“ The one thing I remember about Teresa was that she was so down to earth and was friendly and talkative to every one she met. She was always Teresa any time you met her and I really admired that. My sympathy and condolences to the family. And especially Wendalene. I pray God comforts you all during this tragic time. Rest In Peace Teresa.

“ *There, I can't believe your gone. So many memories flooding my heart tonight, you are one in a trillion. You were the kindest, most loving unjudgemental person I ever had the pleasure of being "more than friends" with. As your sisters and Homer Ray know, we were pretty much unseperable when school was out. Either you were at our house or I was at yours!
I have set here and cried, thinking of the many memories we have together.
I will always live you, my precious dister from another dad and mother!
Fly high with the angels and it won't be long u til we shall be together again!*
