“ We all love and miss you uncle Timmy. Its difficult to imagine I won't see you again. I'll miss the steak and steak fry dinners with 7up we had when I was a kid and had sleep overs with turtle. We are going to miss you so much. We had gotten close when you stayed here with us. You were someone I looked up too. You had so much love for all of your family. My hope and prayers go out to them.
