“ Valerie I don't know where to start and where to end but there will never be any ending to our friendship we all had together, if one got into a fight with someone else, we we're right there to back each other up, and if any of us didn't have money to go out on we all made sure we all got to go even if it cut us all short we never left anyone behind and when everyone started having babies and husbands we all try to stay in touch as much as we could but life just got in our way of life and off we went, but I never imagined one of our own passing away, life is hard but this stuff is even worse but we are here for each other and the kids and all of us girls will keep a watch out on your kids for you, thank you for always being such a wonderful friend and person to all of us, give the ones in heaven a huge hug from us down here, Fly high our sweet girl until we meet again love ya Valerie
