“ Rest in peace, dear friend. I'll always cherish the memories of sitting on yours & Ruby's front porch; you playing guitar & singing tenor in your beautiful voice as we sang old fashioned gospel hymns. On occasion, as we sang, we could feel the touch of God's hand. Now His hand has guided you to your eternal home where the song will never end. My heart, as I know others are, is grieving. Bu I think of words to a song that says 'just wait by the river, over on that beautiful shore, just wait by the river where loved ones wait who've gone on before.....By God's Grace, we will meet you there....
