“ *Willie, was a big prankster (never a dull moment around him.) you could always get him back by poking him in the ribs, he could jump to the moon and back over that. He loved spending his time with his grand children. I think at one time Brianna had everything that the dollar store had, he sure made it a point to take her there daily. Prayers and love for this family.*

“ *My Uncle Willie was always so funny. He came to the hospital when my dad his brother was dying. Willie hisself had just come home from the hospital a few days before. I remember one time we was stripping tobacco and he said we have to get this done because santa claus has to come. I have a lot of good memories of Uncle Willie. Now he can rest in heaven with all of your love one that has passed...Love you. Donna Turner Anderson*
